

Abondance de la Grange
Colombard – Folle Blanche
Vin de France

Grape varieties: Colombard and Folle Blanche

The vines are facing southeast on siliceous-clay soils.

Tasting notes :

wine of a pretty yellow-green colour. The nose is clearly marked by the finess of Colombard with its intense notes of exotic fruits, enhanced by the natural freshness of Folle Blanche with its citrus notes.

The attack is lively and well balanced. This nice round wine develops notes of exotic fruits and grapefruits. These flavors explode on the palate.

Food pairing : to be served at 10-12 ° as an aperitif and with seafood.
